

THE  
**HAVENS**  
COUNTRY CLUB

# WOMEN'S GOLF INFORMATION

*Welcome to The Havens Country Club. You may golf any day of the week, and as a female golf member, you receive priority for tee times on Tuesdays and Thursdays. A great way to get acquainted with members and play golf with other women is to join The Havens CC Women's Golf Association (WGA). On Tuesdays and Thursdays, the WGA has group golf play as well as other golfing activities described in this welcome letter.*

## **THCC WOMEN'S GOLF ASSOCIATION'S ANNUAL MEMBERSHIP**

Allows you the opportunity to play in all WGA weekly events and the 5 tournaments offered at various times of the year.

The WGA maintains a website ([vvccwga.com](http://vvccwga.com)) dedicated entirely to The Havens CC Women's Golf Association. The website includes the governing documents, member roster and the calendar of upcoming events. Additional information may also be found on the club's website ([thehavenscc.com](http://thehavenscc.com))

## **BIG SISTER PROGRAM**

To assist new members with the programs and activities offered by the WGA and the club, new WGA members are encouraged to take advantage of a wonderful tradition at The Havens CC, the Big Sister Program. The WGA membership chair will offer to match the new WGA member with a current member who will serve as her Big Sister. This provides the new member with someone to help her "learn the ropes" and meet other women.

## **TUESDAY GOLF - 18 HOLES**

Tuesday play is organized by tee times beginning at 8:00am. You may sign up a week in advance in the Golf Shop. Everyone is welcome to add their name to any of the groups as most women do not have a standard foursome. You may call the Golf Shop up until 7:00am Tuesday morning to add your name to the tee sheet. *Please remember to also call the Golf Shop if you have to cancel.* The Sweeps Chair will provide a variety of games for Tuesday play. Winners of the game receive Golf Shop credit.

## **MEETING DAYS**

The first Tuesday of every other month is scheduled as Meeting Day. Play is an 8:30 am shotgun mixer golf event. After golf, the women lunch with their group as the meeting takes place. This is a wonderful way to meet people and learn of the upcoming activities.

## **THURSDAY 9:00 AM TOSS-UP**

On Thursday, there is a regular group of women who play 9 holes rather than 18. The group has a 9:00 am "toss-up" and new members are welcomed with open arms. For this group there is no need to sign up before hand, just arrive at 8:40 am on a Thursday morning, check in with the golf shop and before you know it, you'll be on the tee with some new golfing friends.

## **MAJOR TOURNAMENTS**

There are five major tournaments scheduled each year. As a member of the WGA you are entitled and encouraged to play in all of them. Sign-up sheets will be available in the women's locker room approximately 6 weeks in advance of each tournament. The tournaments are: **Club Championship, Spring Festival, President's Cup, Partner's Eclectic and the Holiday Party.** These event dates are available for anyone to view on the website [vvccwga.com](http://vvccwga.com).

## **GUEST DAYS**

Guest days provide WGA members an opportunity to invite women from other clubs to play golf at The Havens Country Club. No greens fees are charged, just lunch, a cart fee and a minimal amount for prizes. The Jewel is our 2 1/2 day premiere event held in October, which you will not want to miss!

COUNTRY CLUB

# WOMEN'S GOLF INFORMATION

*Continued...*

## **HOME AND HOME EVENTS**

Throughout the year the WGA will occasionally organize a golf event with another club where the women will play a round of golf at home and later at the away course.

## **TEAM PLAY**

We currently have two different teams for which you may want to qualify. to play competitive golf with other nearby clubs.

## **A LEAGUE OF OUR OWN**

"ALOO" (March - June) - Nine other nearby clubs are divided into two groups. There is no age limit and the maximum handicap used is 30.0. Five sides (ten players) play four- ball matches (two-player teams), both gross and net.

## **WINTER CUP**

(September - March) Ten other nearby courses play in the Winter Cup competition. There is no age limit and the maximum handicap used is 25.0. Four sides (eight players) play four-ball matches (two-player teams), gross and net combined.

## **GHIN NUMBERS**

Golf Indexes (Handicaps) are coordinated by The Havens CC Golf Shop through the SCGA.
